TRANSFERRING FROM MESc TO PhD

Name: ______________________  Student Number: ______________________

Start Date: ____________________  Proposed Transfer Date: ____________________

Supervisor: ____________________  Co-Supervisor: ____________________

In order to transfer from Masters to the PhD program, Form 103 must be completed and a 3-5 page PhD research proposal and a presentation to the student supervisory committee. It must be signed and submitted 6 weeks prior to the end of the term. Once the committee recommends approval, a FGS “FGS Transfer from MESc to PhD” form must also be completed and submitted to BME office.
