Term 1 IEEE meeting:
LED 3D Cube Discussion
November 6th 2015, 3:30pm

Absent: Franklin, Philippe

Discussions:

- Project lead finalizing the 3D LED Cube project.
- Cost determined to be 67$.
- LED cube to display snowflake for the winter season.
- Project due by the end of term 1.
- Programmed using an arduino.

Concerns:

- Access to room is still not available for members.
