

The University of Western Ontario

The L.S. Lauchland Engineering Alumni Medal

Nomination Form - 2010

The L.S. Lauchland Engineering Alumni Medal is a prestigious award established in 1979 to mark the retirement of Professor Stuart Lauchland, founding member of the Department of Engineering Science at Western, and Past President of APEO. Graduates from Western Engineering are eligible to be nominated on the basis of outstanding contributions to the engineering profession, business leadership and community involvement.
