

Annual Electrical & Computer Engineering Graduate Research Symposium

2015

The Department of Electrical & Computer Engineering is proud to
announce the following recipients of the

‘Award for Outstanding Presentation in Graduate Symposium 2015’

Behnaz Poursartip – Biomedical Engineering

Kyle Fricke – Microsystems & Digital Signal Processing

Michael Gverzdys – Power Systems Engineering

Mike Zylstra – Applied Electrostatics & Electromagnetics

Mohamed Hussein Abdelwahab Ahmed – Communications & Data
Networking

Peng Hao – Communications & Data Networking

Seyed Farokh Atashzar – Robotics & Control

Vasundhara Sharma – Software Engineering
