

Western Engineering

UNDERGRADUATE CO-OP PROGRAM

- ◆ **Summer Co-op**
- 4 Months (May start)

- ◆ **Long Term Co-op**
- 16 Months (May start)
 - 12 Months (May or September start)
 - 8 Months (September Start)

Learn More about Co-op
Here!

Complete a **minimum** of three co-op work terms and graduate with a co-op designation on your degree!

★ The long term co-op program offers students a chance to obtain the full requirements for a co-op designation in one placement!

★ Long term Co-op

Students in dual or combined degree programs can do one long-term co-op after years 3 or 4
