

Meng project evaluation for part time students

While the proposal submission deadline remains unchanged (compared to Full time students), the progress report and final mark deadlines would be:

Proposal submission deadline

Term of initial enrollment in the project course	Progress report submission deadline
Fall term	May 15 th (the next year)
Winter term	Sept. 15 th
Summer term	Jan. 15 th (the next year)

Final project Grade submission deadline

Term of initial enrollment in the project course	Progress report submission deadline
Fall term	Nov. 15 th (the next year)
Winter term	April 15 th (the next year)
Summer term	Aug. 15 th (the next year)

Failure to meet the deadlines may result in registration for an additional semester in the program.

Note: If the student is not graduating, the report submission and final grade deadlines may be transferred to the next term.

Evaluation criteria remains unchanged.
