## ***PROJECT FUNDING NOTIFICATION***

November 12, 2025

From: Project Funding Selection Committee

Re: **Western Engineering Endowment Student Donation Fund 2025**

---

This committee met on the above date to review the requests submitted and to award funding. This year 27 project submissions were reviewed - see the “**2025-2026**” for recent award details. The committee would like to thank all those who submitted funding requests and to acknowledge the contributions of Engineering students, without whom these great initiatives would not be possible.

### **Important Notes for those receiving funding:**

1. **Groups and clubs with a valid UWO Account:** the funds awarded will be transferred to your respective account. Ongoing projects without an account should work with EFS to facilitate funding allocation.
2. **All other:** for project or event expenditures you should contact Paul or Stephen in EFS to help facilitate all purchases, [psheller@uwo.ca](mailto:psheller@uwo.ca) and [smallins@uwo.ca](mailto:smallins@uwo.ca)
3. **Funding Criteria:** **the awarding of funding under this initiative includes the future accessibility of any apparatus or equipment partially or wholly funded by the Engineering Students, with the intent on the items remaining in the Faculty of Engineering, Western University.**
