University Machine Services Fee Schedule

Effective from May 1, 2025 to April 30, 2026
Western University External to Engineering Charges Basic rate \$102.00/hr

UMS develops hourly charge-out rates from supporting historical data and the forecasting of revenues and expenses for the current fiscal year. The number of billable hours is divided by the total of all shop expenses with the intent of providing services internally at cost. Any surplus is used for operational and faculty improvements.

Charges and estimates are calculated hourly as follows including overhead and all support equipment not listed. The shop's hourly charge-out rates will be the following:

Technicians:

Manufacturing technician including all conventional equipment:	\$102.00
Engineering and Project Management:	\$117.00
