

Graduate Newsletter (Week of January 4 2021)

You are receiving this email in order to keep you up-to-date and informed of important events, information and deadlines pertaining to Graduate Studies in the Faculty of Engineering.

Deadlines this week:

Item	Description	Deadline

Faculty Graduate Office Announcements:

All Winter 2021 term graduate courses in the Faculty of Engineering will be offered online. Classes for graduate courses will begin on Monday, January 11, 2021. Please contact the Graduate Office in your Department if you have any questions.

Graduate Student Services & Supports:

Graduate Scholarships/Awards Information:

:: The Engineering Graduate Awards competitions are now open! Please log in to AwardSpring (<https://westerneng.awardspring.ca/>) using your Western ID and Password. Once you have completed the initial application, you will be able to see what awards you qualify for and the deadline for applications for each individual award. You may review individual award details here: <https://www.eng.uwo.ca/graduate/funding/scholarships1.html>

:: Lab2Market's Toronto cohort application is open.

Application Deadline: January 31, 2021

L2M is for graduate students who believe their research can solve real world problems. Applicants must apply in teams consisting of an Entrepreneurial Lead (main applicant) and a Technical Lead (faculty member). More detail / apply here: <https://lab2market.ca/apply/>

:: Ontario Graduate Scholarship in Science and Technology (OGS)

Application deadline: February 1, 2021

Valued at \$15,000 CAD per year, Ontario Graduate Scholarships (OGS) awards are merit-based scholarships available to students in all disciplines of graduate study. Both OGS and QEII-GSST awards are annually allocated to eligible universities in Ontario. At Western, applicants are automatically considered for both the OGS and the QEII-GSST through one application - Western's Online OGS/QEII-GSST Application. Please see here for more information:
