Faculty Graduate Office Announcements:

All Winter 2021 term graduate courses in the Faculty of Engineering will be offered online. Classes for graduate courses will begin on Monday, January 11, 2021. Please contact the Graduate Office in your Department if you have any questions.

Graduate Student Services & Supports:

Graduate Scholarships/Awards Information:

:: The Engineering Graduate Awards competitions are now open! Please log in to AwardSpring (https://westerneng.awardspring.ca/) using your Western ID and Password. Once you have completed the initial application, you will be able to see what awards you qualify for and the deadline for applications for each individual award. You may review individual award details here: https://www.eng.uwo.ca/graduate/funding/scholarships1.html

:: Lab2Market’s Toronto cohort application is open.
Application Deadline: January 31, 2021
L2M is for graduate students who believe their research can solve real world problems. Applicants must apply in teams consisting of an Entrepreneurial Lead (main applicant) and a Technical Lead (faculty member). More detail / apply here: https://lab2market.ca/apply/

:: Ontario Graduate Scholarship in Science and Technology (OGS)
Application deadline: February 1, 2021
Valued at $15,000 CAD per year, Ontario Graduate Scholarships (OGS) awards are merit-based scholarships available to students in all disciplines of graduate study. Both OGS and QEII-GSST awards are annually allocated to eligible universities in Ontario. At Western, applicants are automatically considered for both the OGS and the QEII-GSST through one application - Western’s Online OGS/QEII-GSST Application. Please see here for more information: https://grad.uwo.ca/finances/external_funding/ogs.html

:: Hugh C. Morris Experiential Learning Fellowship
Application deadline: February 15, 2021
Valued at $40,000 CAD is open to any graduate student (masters or doctoral, domestic or international) studying in Canada who is working in a field related to earth, geosciences, environment, alternative energy, water, climate change, sustainability, or to the social impact, social sciences or design sciences related to these areas, and is designed to provide a unique experiential, international travel program
designed by the student to engage diverse sectors, advance their research, learn from a range of contexts and cultures, and bring their learning back to Canada. Full details can be found at the Kimberley Foundation at https://kimberley-foundation.org/hugh-morris-fellowship/.

:: Mitacs Elevate postdoctoral fellowship application is open.

**Application Deadline: February 10, 2021**

Mitacs Elevate is currently accepting applications until Feb 10, 2021. Mitacs Elevate is a 2-year ($60,000/year) postdoctoral fellowship with an industry partner or not for profit, and also includes a customized research management training component (valued at $7,500/year). Mitacs matches funds and contributes $30,000/year. Please contact Joseph Santarelli for more information.

:: Engineers Canada Scholarships

**Application Deadline: March 31, 2021**

- **Engineers Canada-Manulife**: Three scholarships valued at $12,500 each to support Canadian engineers returning to university for further study or research in an engineering field. Engineers Canada-TD Insurance Meloche Monnex: Three scholarships valued at $7,500 each to support Canadian engineers returning to university for further study or research. Your studies must be in a field other than engineering, but one that will complement your engineering practice.

:: Graduate Student Societies Announcements:

**Academic Opportunities:**

**Other Upcoming Events:**

:: Privilege and Oppression Training

**Wednesday, January 20 | 12:30-1:30pm**

Register today: https://connect.uwo.ca/eventsRedirect.htm?evtId=6286

This online training will provide an in-depth understanding of power, privilege, and the various forms of oppression through an intersectional lens. We will cover several aspects of identity (such as race, class, religion, and gender) as tools of analysis while exploring how people can simultaneously navigate social spaces with both dominant and oppressed identities.

:: RBC Design Thinking Workshop Series - call for applications

The RBC Design Thinking Workshop Series gives students the chance to sharpen their critical and creative skills. The inaugural series will take place virtually over a two-week period in February 2021. Spots in the series are limited, and selected participants must commit to attending all four workshop sessions. Applications open Monday, January 11 at 8:30am. Apply on WesternConnect https://connect.uwo.ca/home.htm. For more information, contact Natalie Mathieson (nmathie@uwo.ca).
