:: Summer Term tuition (late fee penalty)

Considering the situation due to COVID-19, [the Office of the Registrar](#) and SGPS will not be charging late fee penalty on Summer Term tuition payments.

::Western Libraries – New process for Access to Print Collections

Need access to print materials? Send an email to wl-prrt@uwo.ca listing the items you require. Once we receive your email, our team will search to see if we currently have digital access; if successful, we will send a link to the online item. If we do not have access, we will inquire if a digital copy can be purchased and, if possible, we will purchase the item. If an item cannot be purchased, we would be happy to work with you to see if an alternate item might suffice.

::Tuition Information

Graduate student tuition and fees contribute to the cost of direct and indirect services, resources, and supports that assist students in completion of their graduate degree. For more information about what the tuition covers, please visit SGPS COVID-19 website under the section [Funding & Fees](#). For more information about Tuition fee payment, and bursary & financial aid programs, please visit https://www.registrar.uwo.ca/student_finances/index.html

::Student Support

Western is continuing to provide support to students to help them manage their academics and well-being so they can continue to thrive while away from campus in the current situation. For more information about resources and support, please visit <https://studentexperience.uwo.ca/remote/>

::International Students

Western International has setup a website listing Frequently Asked Questions related to international students in the context of COVID-19 situation. For details, please visit <https://iesc.uwo.ca/COVID-19-FAQs.html>

COVID-19 Helpful Links

Message from Vice-Provost Office: As you know, COVID-19 has affected all of our students in significant ways. It has hit our international student community particularly hard, especially for many who are unable to return home under current circumstances and are feeling isolated.

We are continuing to reach out to international students who remain in Canada, as well as those who may have returned home. In addition, we are welcoming new students beginning in the summer or fall terms.

For your information, we sent the message below about our ongoing services for international students to Department Chairs, Graduate Program Chairs and Graduate Assistants, as well as number of campus partners to ensure international students are well supported, regardless of where they are studying.

Should you have any questions about this communication, or comments about our support services, please feel free to [W.James \(Jim\) Wesse](#), Acting Vice-Provost.
