

Course Conflict Registration Request Form

PLEASE READ:

- Engineering courses take priority over non-Engineering courses.** By signing this form, you agree to attend your Engineering course instead of the course in conflict (if non-Engineering). If both (or more) courses are Engineering courses, please provide detailed reasons why you must enroll in the proposed course.
- Conflicts - even if accommodated by completion of this form - **cannot be used as a basis for appeal.**
- In order to best counsel you, your professor may request a copy of your **timetable and academic record** (unofficial transcript). The Department and Academic Counsellor will review your **form and academic record** for final approval.
- If approved, special permission will be added to your record and **you will need to call the Student Central Help Line (519-661-2100) to register for the course(s) before the deadline listed in the academic calendar.**
