

MME 2202A - Mechanics of Materials

COURSE OUTLINE – Fall 2021

CALENDAR DESCRIPTION: Stress and strain, Mohr's stress circle, behavior of structures, axial loading of columns and struts, torsion of shafts, bending of beams, buckling of columns and combined loading of components.

COURSE INFORMATION:

Instructor:	Prof. Emily Lalone
	Room: TEB 353
	Email: emily.lalone@uwo.ca
Lectures:	M 10:30-11:30 am HSB 240
	T 230-330 pm SEB 2200
	Th 930-1030 am HSB-236
Tutorials:	Th 2:30-4:30 pm NS-7

PREREQUISITES: ES 1022 a/b/y, AM 1413

Unless you have either the requisites for this course or written special permission from your Dean to enroll it in, you will be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the prerequisites.

ACCREDITATION UNITS: Engineering Science = 100%

TOPICS: Concepts of stress and strain (normal and shear); Hooke's Law; axially loaded members; second moment of area; elastic torsion of shafts; bending and shearing stresses in beams; design of beams and introduction to beam deflection; principle of superposition; statically indeterminate problems; columns; Euler's formula.

LEARNING OBJECTIVES: Upon successful completion of this course, students will be able to

1. Assimilate fundamental concepts of statics and apply fundamental principles of statics to solve mechanics problems. (KB3, PA2, PA3)
2. Develop skills necessary for stress and strain analysis for mechanical members in a variety of different loading situations (axial, pure bending, torsion, transverse loading and combined loads) within a given material's elastic limit. (KB3, PA2, PA3, I3)
3. Apply these skills to analyze and solve the engineering problems related to the design of various mechanical components. (KB3, PA2, PA3)

CONTACT HOURS: 3 lecture hours, 2 tutorial hours, 0.5 laboratory hours, half course

TEXT: Mechanics of Materials, R.C. Hibbeler. 10th edition. Prentice Hall, ISBN 978-0-13-4319650

COURSE POLICIES **Laboratory Sessions:**

- Reports are due by 5pm on due days (will be posted on OWL)
- Late submissions of lab reports will receive a grade no higher than 50%
- Students who show up to the lab time 15 min later or more, will receive a grade of 50% for that laboratory session
- Missing of a laboratory session without academic consideration will translate into a zero mark for that laboratory session

Quizzes:

- No make-up quiz option will be offered regardless of the circumstances for which the quiz was missed
- Missing of a quiz without academic consideration will translate into a zero mark for that quiz
- Missing a quiz with academic consideration will automatically re-weight the missing quiz(zes) to the quiz component for the course.

Midterm Examination:

- There is no make-up midterm option offered regardless of the circumstances for which the midterm was missed.
- Missing the midterm with academic consideration will result in automatic reweighting to the final exam.
- Missing the midterm without academic consideration will result in a grade of 0 for the midterm.
- Only non-programmable calculators will be allowed during the examination

Final Examination:

- Only non-programmable calculators will be allowed during the final examination
- If a minimum of 50% is not obtained on the final examination, the student cannot receive a final mark greater than 48%

**EXAMINATIONS
AND QUIZZES:**

2 hour Closed Book mid-term examination; 3-1 hour quizzes;
3 hour Closed Book final examination

EVALUATIONS

Course Component	Weight
Homework Assignments	5%
Quizzes	15%
Laboratory	10%
Midterm Test	20%
Final Examination	50%

The final grade is computed as follows:

Assignments	5%
Assign 1: due Sept. 23; Assign 2: due Oct. 7; Assign 3: due Oct. 21; Assign 4: due Nov 11; Assign 5: due Nov. 25; Assign 6: Dec. 8	
Laboratories	10%
Laboratory 1: in the week of Oct. 18-Oct. 22	
Laboratory 2: in the week of Nov. 15-Nov. 19	
Laboratory 3: in the week of Nov. 29-Dec. 3	
Quizzes	15%
Quiz 1: on Sept. 23 during the tutorial hours (5.5%)	
Quiz 2: on Oct. 14 during the tutorial hours (5.5%)	
Quiz 3: on Nov. 18 during the tutorial hours (4%)	
Mid-term examination	20%
Time: 6:30 pm-8:30 pm on Oct 29, 2021; Place: TBA	
Final exam	50%

**CONSULTATION
HOURS**

Office Hours: Mondays 9:00-10:00 am

ENGLISH:

In accordance with Senate and Faculty Policy, students may be penalized up to 10% of the marks on all assignments, tests and examinations for the improper use of English. Additionally, poorly written work with the exception of final examinations may be returned without grading. If resubmission of the work is permitted, it may be graded with marks deducted for poor English and/or late submission.

ATTENDANCE:

Any student who, in the opinion of the instructor, is absent too frequently from class or laboratory periods in any course, will be reported to the Dean (after due warning has been given). On the recommendation of the Department concerned, and with the permission of the Dean, the student will be debarred from taking the regular examination in the course.

CHEATING:

University policy states that cheating, including plagiarism, is a scholastic offense. The commission of a scholastic offense is attended by academic penalties which might include expulsion from the program. If you are caught cheating, there will be no second warning. (see Scholastic Offence Policy in the Western Academic Calendar).

SSD:

Please contact the course instructor if you require material in an alternate format or if any other arrangements can make this course more accessible to you. You may also wish to contact Services for Students with Disabilities (SSD) at 661-2111 x 82147 for any specific question regarding an accommodation.

NOTE:

The above topics and outline are subject to adjustments and changes as needed. Students who have failed an Engineering course (ie.<50%) must repeat all components of the course. No special permissions will be granted enabling a student to retain laboratory, assignment or test marks from previous years. Previously completed assignments and laboratories cannot be resubmitted for grading by the student in subsequent years.

August 25, 2021

INSTRUCTIONS FOR STUDENTS UNABLE TO WRITE TESTS OR EXAMINATIONS OR SUBMIT ASSIGNMENTS AS SCHEDULED

If, on medical or compassionate grounds, you are unable to write term tests or final examinations or complete course work by the due date, you should follow the instructions listed below. You should understand that academic relief will not be granted automatically on request. You must demonstrate to your department (or the Undergraduate Services Office) that there are compelling medical or compassionate grounds that can be documented before academic relief will be considered. Different regulations apply to term tests, final examinations and late assignments. Please read the instructions carefully.

NEW: Requests for Academic Consideration using the Self-Reported Absence Form

If you experience an unexpected illness or injury or an extenuating circumstance (48 hours or less) that is sufficiently severe to temporarily render you unable to meet academic requirements (e.g., attending lectures or labs, writing tests or midterm exams, completing and submitting assignments, participating in presentations) you should self-declare using the online Self-Reported Absence portal. This option should be used in situations where you expect to resume academic responsibilities within 48 hours or less.

Each student will be allowed a maximum of two self-reported absences between September and April and one self-reported absence between May and August. Self-reporting may not be used for final exams or assessments (e.g. midterm exams, tests, reports, presentations, or essays) worth more than 30% of any given course.

For full instructions about the Self-Reporting System refer to the Academic Calendar link [here](#).

A. GENERAL REGULATIONS & PROCEDURES (other than self-reported absences)

1. All first year students will report to the Undergraduate Services Office, SEB 2097, for all instances.
2. If you are an upper year student and you are missing a test/assignment/lab or examination that is worth LESS THAN 10% of your mark, you should report to your department office to request relief. If your course work is worth MORE THAN 10% of your final grade, you will report to the Undergraduate Services Office, SEB 2097.
3. Check the course outline to see if the instructor has a policy for missed tests, examinations, late assignments or attendance.
4. Documentation must be provided as soon as possible. If no one is available in your department office or the Undergraduate Services Office, leave a message clearly stating your name & student number and reason for your call. The department telephone numbers are given at the end of these instructions.
5. If you decide to write a test or an examination you should be prepared to accept the mark you earn. Rewriting tests or examinations or having the value of a test or examination reweighted on a retroactive basis is not permitted.

B. TERM/MIDTERM TESTS (other than self-reported absences)

1. If you are in first year and you are unable to write a midterm/term test, contact the Undergraduate Services Office, SEB 2097 PRIOR to the scheduled date of the test.
2. If you are an upper year student and you are unable to write a midterm/term test, inform your instructor PRIOR to the scheduled date of the test. If the instructor is not available, leave a message for him/her at the department office. If the test is worth LESS THAN 10% of your mark, you should report to your department office to request relief. If the test is worth MORE THAN 10% of your final grade you will report to the Undergraduate Services Office, SEB 2097 to request relief.
3. Be prepared to provide supporting documentation to the Department Chair and/or the Undergraduate Services Office (see next page for information on documentation).
4. Discuss with the instructor if and when the test can be rescheduled. **N.B.** The approval of the Chair or the Undergraduate Services Office is required when rescheduling midterm/term tests.

C. FINAL EXAMINATIONS (cannot be self-reported)

1. If you are unable to write a final examination, contact the Undergraduate Services Office **PRIOR TO THE SCHEDULED EXAMINATION TIME** to request permission to write a Special Final Examination. If no one is available in the Undergraduate Services Office, leave a message clearly stating your name & student number.
2. Be prepared to provide the Undergraduate Services Office with supporting documentation (see next page for information on documentation) the next day, or as soon as possible (in cases where students are hospitalized). The following circumstances are not considered grounds for missing a final examination or requesting special examinations: common cold, headache, sleeping in, misreading timetable and travel arrangements.
3. In order to receive permission to write a Special Examination, you must obtain the approval of the Chair of the Department **and** the Associate Dean and in order to apply you must sign a "Recommendation for a Special Examination Form" available in the Undergraduate Services Office. The Undergraduate Services Office will then notify the course instructor(s) and reschedule the examination on your behalf.

PLEASE NOTE: It is the student's responsibility to check the date, time and location of the Special Examination.

D. LATE ASSIGNMENTS

1. Advise the instructor if you are having problems completing the assignment on time (**prior** to the due date of the assignment).
2. Be prepared to provide documentation if requested by the instructor (see reverse side for information on documentation).
3. If you are granted an extension, establish a due date. The approval of the Chair of your Department (or the Assistant Dean, First Year Studies, if you are in first year) is not required if assignments will be completed prior to the last day of classes.
4.
 - i) Extensions beyond the end of classes must have the consent of the instructor, the department Chair and the Associate Dean, Undergraduate Studies. Documentation is mandatory.
 - ii) A Recommendation of Incomplete Form must be filled out indicating the work to be completed and the date by which it is due. This form must be signed by the student, the instructor, the department Chair and the Associate Dean, Undergraduate Studies.

E. SHORT ABSENCES

If you miss a class due to a minor illness or other problem, check your course outlines for information regarding attendance requirements and make sure you are not missing a test, laboratory or assignment. Cover any readings and arrange to borrow notes from a classmate.

F. EXTENDED ABSENCES

If you are absent more than one week or if you get too far behind to catch up, you should consider reducing your workload by dropping one or more courses. (Note drop deadlines listed below). You are strongly encouraged to seek advice from your Academic Counsellor in the Undergraduate Services Office.

G. DOCUMENTATION

If you consulted an off-campus doctor or Student Health Services regarding your illness or personal problem, **you must provide the doctor with a Student Medical Certificate** to complete at the time of your visit and then bring it to the Department (or the Undergraduate Services Office). **This note must contain the following information: severity of illness, effect on academic studies and duration of absence. Regular doctor's notes will not be accepted; only the Student Medical Certificate will be accepted.**

In Case of Serious Illness of a Family Member: Provide a Student Medical Certificate to your family member's physician to complete and bring it to the Department (or the Undergraduate Services Office if you are in first year).

In Case of a Death: Obtain a copy of the death certificate or the notice provided by the funeral director's office. You must include your relationship to the deceased and bring it to the Department (or the Undergraduate Services Office if you are in first year).

For Other Extenuating Circumstances: If you are not sure what documentation to provide, ask the Departmental Office (or the Undergraduate Services Office if you are in first year) for direction.

Note: Forged notes and certificates will be dealt with severely. To submit a forged document is a scholastic offence (see below).

H. ACADEMIC CONCERNS

1. You need to know if your instructors have a policy on late penalties, missed tests, etc. This information may be included on the course outlines. If not, ask your instructor(s).
2. **You should also be aware of attendance requirements in some courses. You can be debarred from writing the final examination if your attendance is not satisfactory.**
3. If you are in academic difficulty, check out the minimum requirements for progression in the calendar. If in doubt, see your Academic Counsellor.

Note: These instructions apply to all students registered in the Faculty of Engineering regardless of whether the courses are offered by the Faculty of Engineering or other faculties in the University.

Add Deadlines:

First term half course (i.e. “A” or “F”)	September 16, 2021
Full courses and full-year half course (i.e. “E”, “Y” or no suffix)	September 16, 2021
Second term half course (i.e. “B” or “G”)	January 11, 2022

Drop Deadlines:

First term half course (i.e. “A” or “F”)	November 12, 2021
Full courses and full-year half courses (i.e. “E”, “Y” or no suffix)	November 30, 2021
Second term half or second term full course (i.e. “B” or “G”)	March 7, 2022
