WESTERN ENGINEERING
FALL AWARDS
CEREMONY
2008

125th Anniversary Alumni Award in Engineering

Awarded to:

Stephanie Puzio

Awarded to a student in year 2 or higher who demonstrated academic achievement.

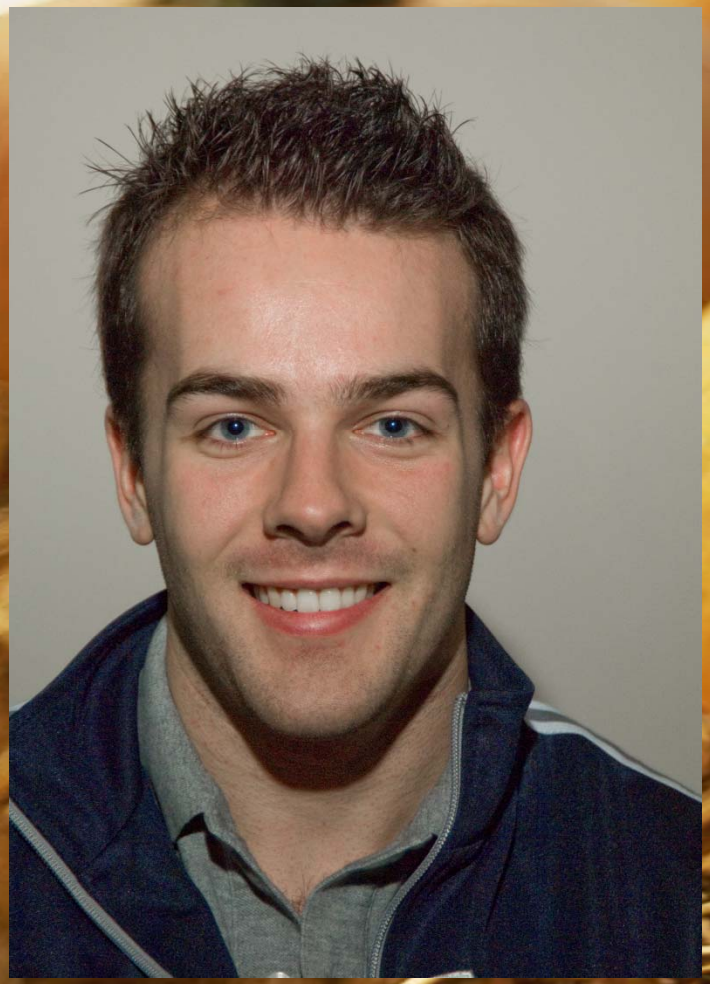
3M Canada Company Award in Engineering Science

Awarded to:

Lisa Rogers

Awarded to a full time student entering his/her graduating year in any program in Chemical or Mechanical Engineering based on academic achievement.

ASHRAE Award

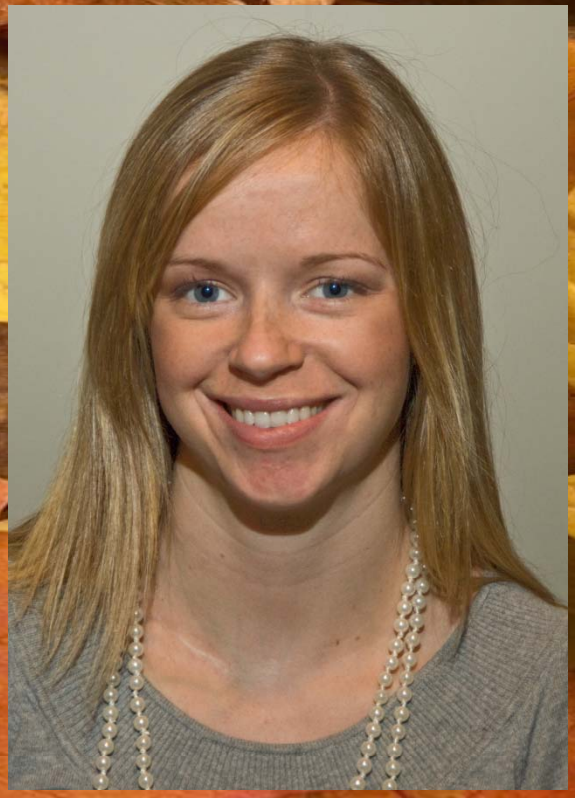


Awarded to:

Mark Furgala

Awarded a student in his/her third year in the Department of Mechanical and Materials Engineering based on academic achievement and the candidate's mark in Thermodynamics II, continuing educational studies, and career goals in the heating, refrigeration and air conditioning profession.

Andrea Bailey Memorial Award



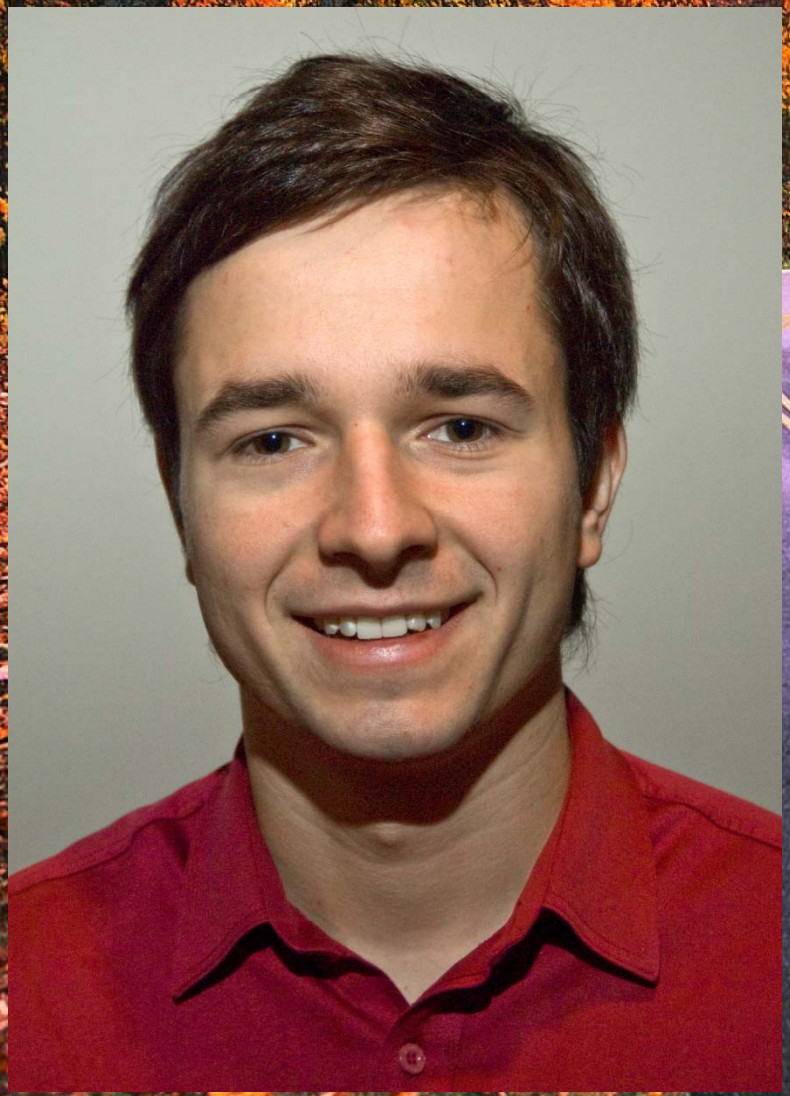
Awarded to:

Laura Watts

Awarded to a female student entering fourth year of Mechanical and Materials Engineering based on academic achievement and involvement in extra-curricular activities at the University and in the community.

.

The Bizmo Award for Volunteerism

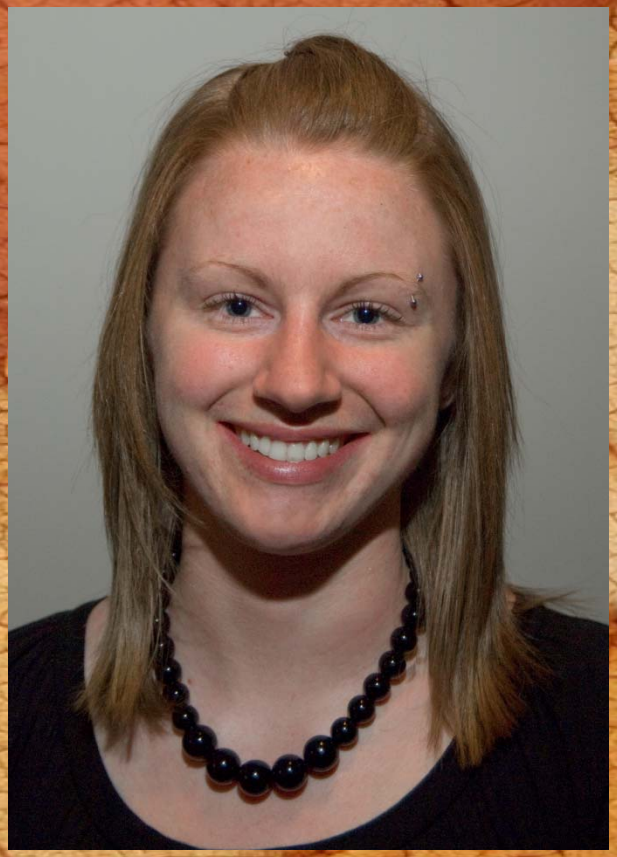


Awarded to:

Federico Berutti

Awarded to a student in the 3rd or 4th year of the Engineering Program who has demonstrated outstanding volunteer and leadership skills through participation in the Undergraduate Engineering Society and/or involvement in extra-curricular activities that are focused on enhancing the Western Campus or the broader community.

Lloyd W. Bracewell-Bracewell Engineering Inc. Award



Awarded to:

Laura Kinsman

Awarded to a full-time student in Year 3 of a program offered by the Department of Civil & Environmental Engineering based on academic achievement and extra-curricular activities.

Canadian Centennial '67 Class Award

Awarded to:

Julie Ladiges

Awarded to a full-time undergraduate student in year 2 or higher of an Engineering degree program based on academic achievement and extracurricular activities.

Gordon F. Chess Award

Awarded to:

Mark Cicero

Awarded to a student in his/her third year in the Department of Mechanical and Materials Engineering based on academic achievement and the candidate's mark in Thermodynamics II, continuing educational studies, and career goals in the heating, refrigeration and air conditioning profession.

Canadian Institute of Steel Construction Award

Awarded to:

Ron French

Awarded to a student entering Year 4 Engineering who achieved the highest average in steel design courses in Year 3 and who will be working on a steel alternative for their Year 4 design project.

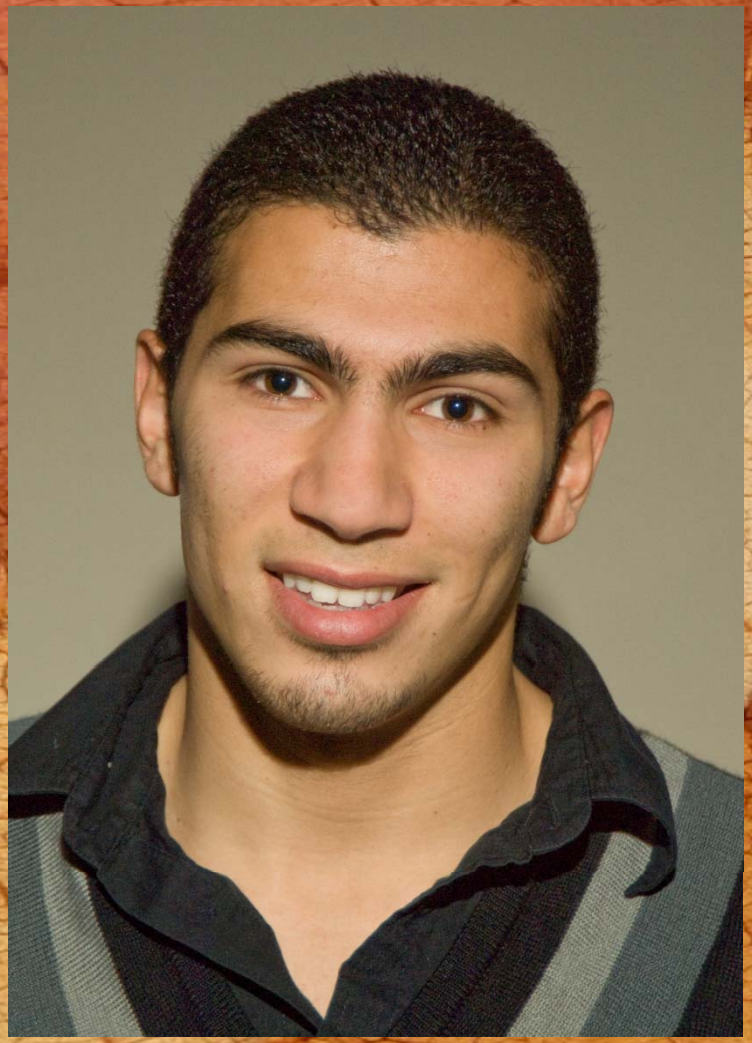
Colt WorleyParsons Corporate Award

Awarded to:

Maha El-birani

Awarded to a full-time undergraduate student entering 4th year Engineering who has demonstrated academic achievement in their 3rd year, is enrolled in CBE 497 - Chemical Process & Plant Design, and has been involved in extra-curricular activities.

Concentric Associates International Inc. Award



Awarded to:

Sarhan Abu-Kwiek

Awarded to a full-time undergraduate student in third or fourth year of the Civil Engineering program who has demonstrated academic achievement, is enrolled in a concurrent degree program, and is involved in extracurricular activities.

DELCAN Corporation Scholarship in Engineering Science

Awarded to:

Ryan Katchky

Awarded annually to a full-time undergraduate student entering fourth year in the Faculty of Engineering based on academic achievement, demonstrated involvement in extra-curricular activities at the University or in the community.

Ian Duerden Memorial Award

Awarded to:

Greg Schuett

Awarded to a full-time undergraduate student in his or her third year of the Mechanical and Materials Engineering program who has demonstrated academic achievement.

The Institute of Electrical and Electronic Engineers Inc. (I.E.E.E.) Award

Awarded to:

Jon Pietrobon

Awarded to a student entering the fourth year in any of the undergraduate programs of the Department of Electrical and Computer Engineering, based on performance in third year technical subjects and an interest in professional affairs as demonstrated by participation in student activities or other organizations.

EMCO Scholarships

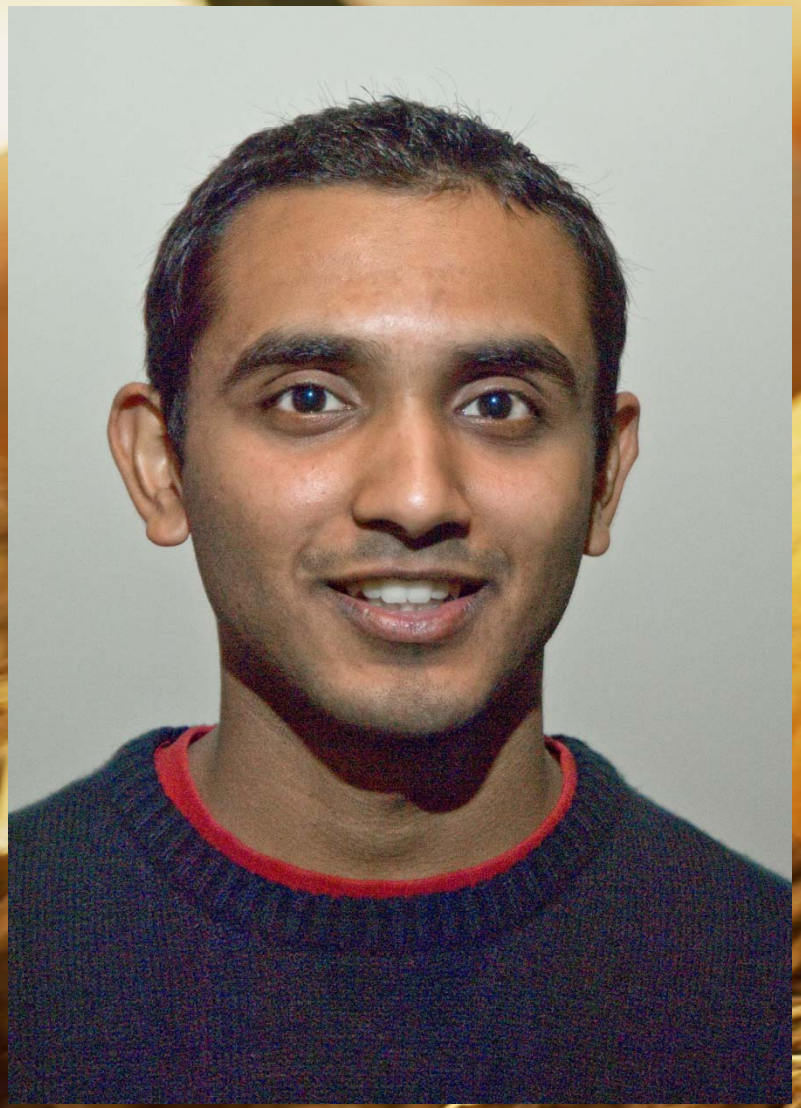
Awarded to:

Andrew Brennan

Raphael Kopala

Awarded to students entering their second year of Engineering and preferably having a career objective in manufacturing or marketing. These students must have demonstrated leadership ability as well as involvement in outside activities.

Entrepreneurial Spirit Award



Awarded to:

Shyam Ganesh

Awarded to a full-time Engineering student admitted into the Technological Entrepreneurship Certificate Program who has an interest or involvement with entrepreneurship and has demonstrated leadership potential.

Lynn Fordham Awards in Science and Engineering

Awarded to:

Stephanie Puzzio

Aarica Arora

Awarded annually to students in Engineering who demonstrate academic excellence and possess leadership qualities.

Joan and Geno Francolini Award in Engineering

Awarded to:

Alex Herold

Awarded to a full-time undergraduate student in a concurrent Engineering and Honors Business Administration degree program who demonstrates academic achievement.

General Dynamics Engineering Award

Awarded to:

Stephanie Puzio

Awarded to a full-time undergraduate student in year 2 or higher of Engineering based on academic achievement.

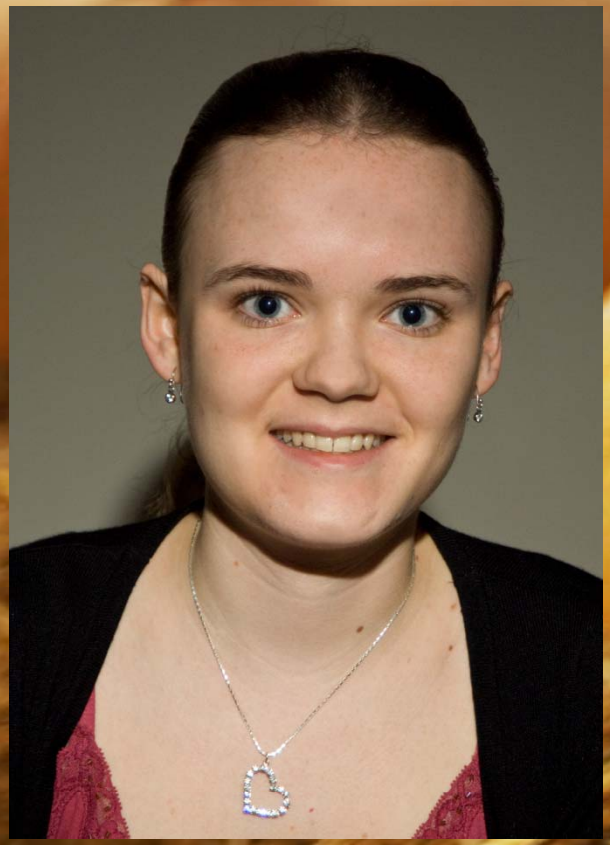
Gonder Family Award

Awarded to:

Lisa Rogers

Awarded to a student in year 2 or higher in Engineering who has demonstrated academic achievement.

Gonder Continuing OSOTF Award



Awarded to:

Lisa Rogers

Awarded to a full-time undergraduate student in year 2 or higher of Engineering who demonstrates academic achievement.

Hastings & Aziz Consulting Structural Engineers Award in Civil Engineering

Awarded to:

Zheng Xu

Awarded to a full-time student in any year of a Civil Engineering program based on academic achievement.

Hydro One Undergraduate Awards

Awarded to:

Spencer Hughes

Greg Kish

Pierre Najjar

Vimalanathan Olaganathan

Waren Rinas

Awarded to full-time undergraduate students entering fourth year of an Electrical Engineering program with a Power Systems Engineering Option, based on academic performance in their prior year of full-time study and a commitment to making a contribution to the field of power engineering.

The Richard Ivey Foundation Continuing Awards in Environmental Engineering

Awarded to:

Thanh Dinh

Hussain Fadhel

Rosa Ho

Awarded to full time students entering their third year of study and have chosen to specialize in Environmental Engineering and who have demonstrated academic achievement.

Boris J. Jackman Award in Chemical Engineering

Awarded to:

Aarica Arora

Awarded to a full-time student in Year 2 of the Chemical Engineering program based on academic achievement and involvement in extra-curricular activities.

Tim, Jane and Brian Kwan Award in Engineering

Awarded to:
Aarica Arora

Awarded to a full-time student in Year 2 of Engineering based on academic achievement.

Christian Lassonde Scholarship

Awarded to:

Stephanie Puzio

Awarded to a full-time undergraduate student in any year of Engineering based on academic achievement.

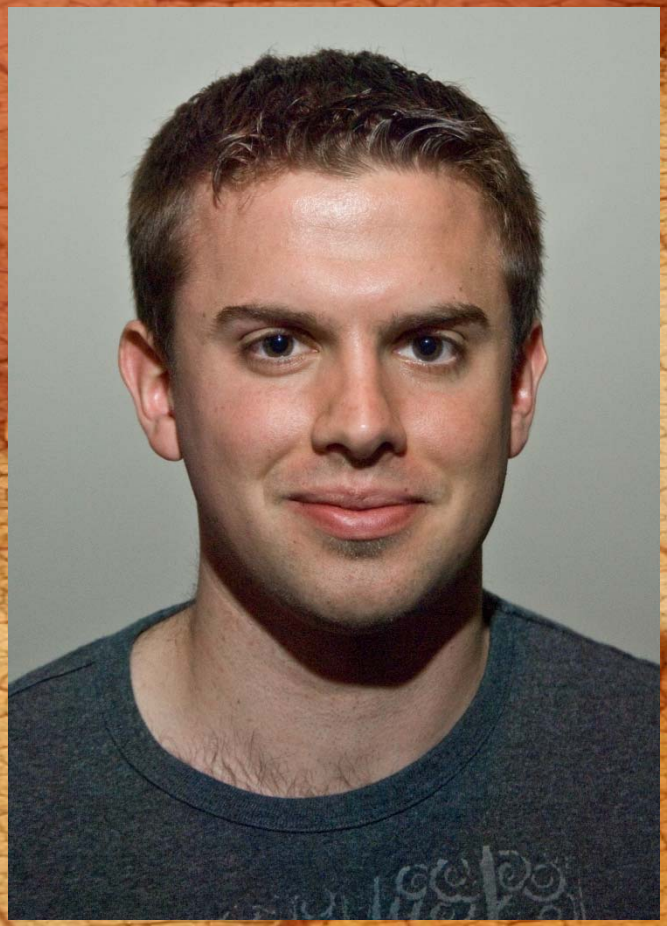
Dr. L. Stuart Lauchland Scholarships

Awarded to:

Brian Coulter

Awarded to a student in any year of Engineering based on academic achievement.

London and District Construction Association Award

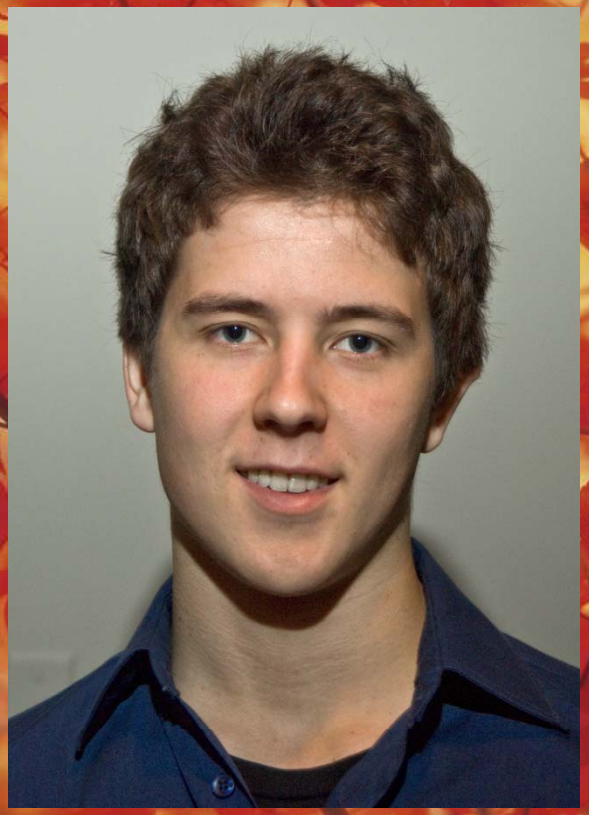


Awarded to:

David Mizzen

Awarded to a student entering fourth year in the Faculty of Engineering who demonstrates a serious interest in pursuing a career in the construction industry or as a consulting engineer and has demonstrated work experience in the construction industry.

London District Sewer & Watermain Construction Award



Awarded to:
Erik Veittiaho

Awarded to a full-time undergraduate student in year two, or higher, in the Civil and Environmental Engineering program based on academic achievement.

The MacKay-Lassonde Awards in Computer Engineering

Awarded to:

Jessica Lesperance - currently on exchange in Singapore.

Mohamed Nazzali

Awarded to students enrolled in either a computer engineering option in Electrical and Computer Engineering or in the concurrent Electrical Engineering and Computer Science program based on leadership.

Jean Ann Maynard Scholarship in Electrical Power Engineering

Awarded to:

Julie Ladiges

Awarded to a full time student entering the fourth year of the Electrical Engineering program based on academic achievement in subjects that are directly related to the electric power industry.

Montreal Memorial Award

Awarded to:

Nishka Gupta

Awarded to the female student in the Faculty of Engineering who has demonstrated academic excellence in her second year of study.

Donald P. Morris Engineering Award

Awarded to:

Adam Bierylo

Awarded to a full time undergraduate student in year 2 or higher of any Engineering program based on academic achievement and involvement in extra-curricular activities that demonstrate leadership skills.

Phillip Nakahara MacLachlan Memorial Award

Awarded to:
Maha El-birani

Awarded to a full-time undergraduate student in the fourth year of Chemical & Biochemical Engineering, based on academic achievement, involvement with volunteer work at the university and/or the community

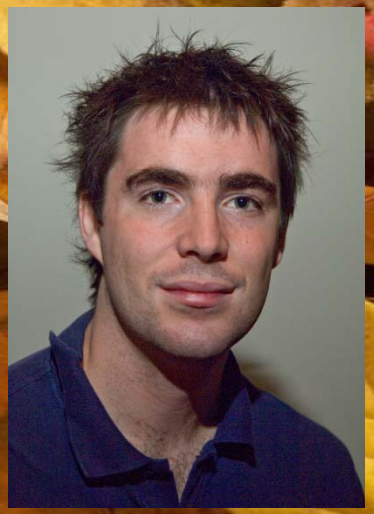
Craig O'Hagan Memorial Award

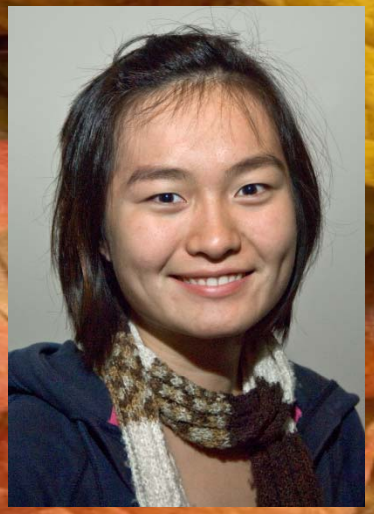
Awarded to:

Hussain Fadhel

Awarded to a full-time undergraduate student in the 3rd year of a program in Mechanical Engineering, Biochemical and Environmental Engineering or Civil and Environmental Engineering based on academic achievement.

Ontario Professional Engineers Scholarships





Awarded to:

Brandon Lyn

Garret Morin

Nualjarose Kasemphaibulsuk

Siying Li

Awarded to undergraduate students in any Engineering program, based on academic achievement and demonstrated leadership skills as a major participant in an organization or activity related to engineering that furthers their professional development.

Ontario Power Generation Award

Awarded to:

Malini Jhaver

-pending OPG approval

Awarded to an undergraduate student who is currently in second year of either the Electrical, Computer, Mechanical, Chemical, or Environmental Engineering Program who demonstrates leadership skills and is involved in extra-curricular activities.

Parents Fund Award in Engineering Science

Awarded to:

Tyler Rosen

Awarded annually to an upper year student in the Faculty of Engineering who has demonstrated academic achievement while demonstrating leadership in the community and participating in extra-curricular activities.

Professor Mel Poucher Award in Civil Engineering

Awarded to:

Curtis Williams

Awarded to a full-time student in Year 2 or higher of the Civil & Environmental Engineering program based on academic achievement and extracurricular activities.

Research in Motion Scholarship

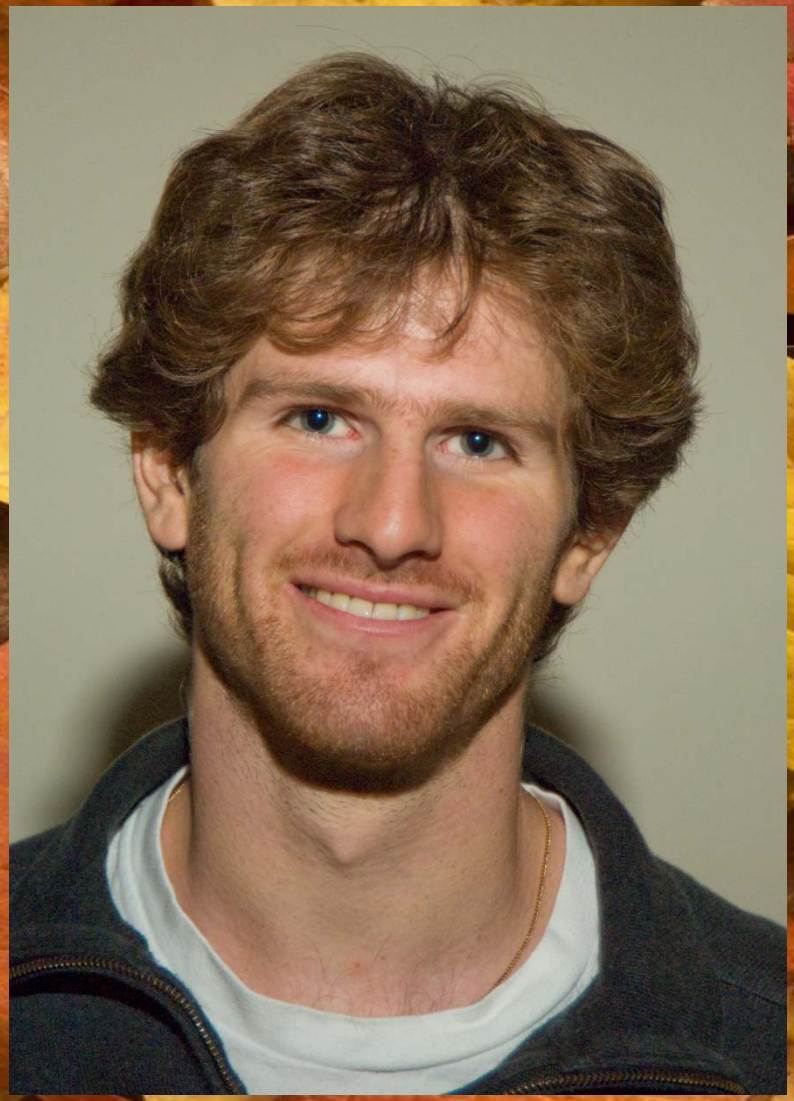
Awarded to:

Siying Li

Kirsten Petersen

Awarded to full-time undergraduate students in year 2 or 3 of the ECE program who have demonstrated academic achievement and who have an involvement in extra-curricular activities.

Lynda Diane Shaw Memorial Award

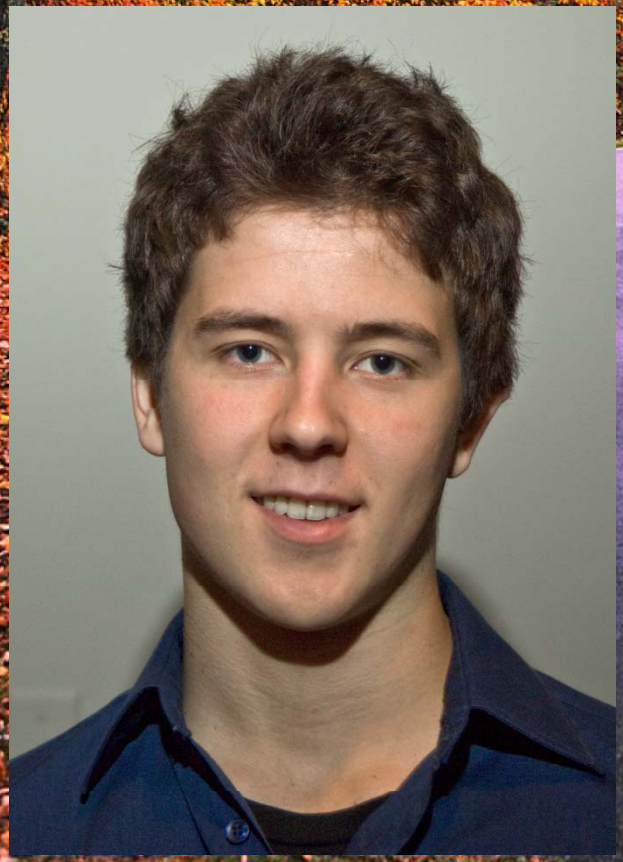


Awarded to:

Ryan Herblum

Awarded to a student entering the fourth year of the Mechanical Engineering program who has been active in community service activities, student clubs and extra-curricular activities and possesses good interpersonal skills.

The Stantec Consulting Ltd. Civil Engineering Achievement Award



Awarded to:

Erik Veittiaho

Awarded to the student who has achieved the highest aggregate marks in the third year of the Civil Engineering program.

Suncor Scholarships

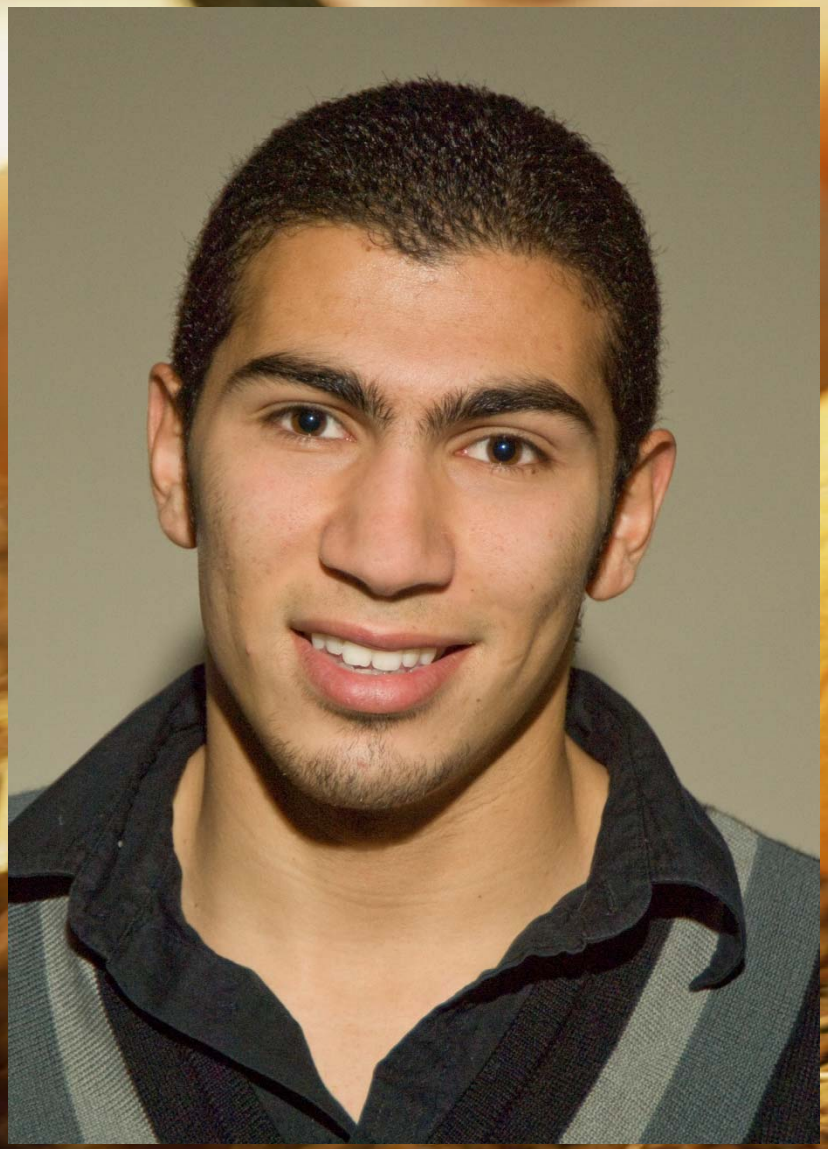
Awarded to:

Joshua Cochrane

Alex Holt

Awarded to fourth year students who have successfully completed the Industry Internship Program with Suncor.

Jock Tindale Memorial Award

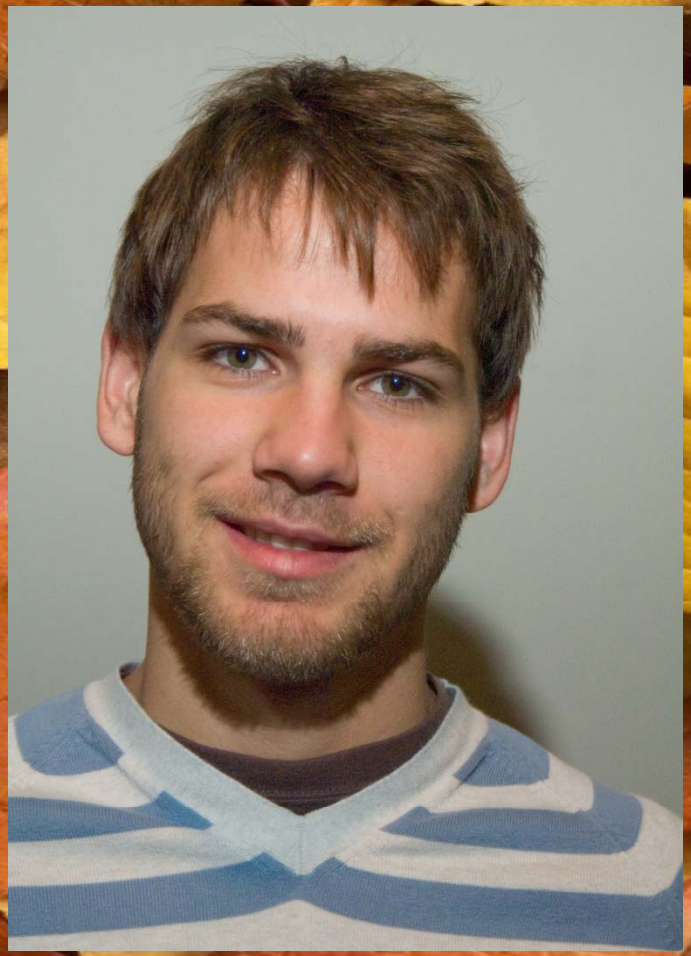


Awarded to:

Sarhan Abu-Kwiek

Awarded to a student who is entering their third year and has been accepted into the concurrent degree program in Civil Engineering and Business Administration, who demonstrates leadership qualities and has proven interest in the field of construction.

Vander Laan Undergraduate Scholarship in Engineering



Awarded to:

Martin Blazejowski

Awarded to a full-time student in Year 2 or higher of any program in Engineering based on academic achievement and who demonstrates an academic interest in environmental topics or water issues.

The Frederick Weijerman Memorial Award

Awarded to:

Lauren Hockin

Awarded to a full time student entering the third year of the Civil Engineering program.

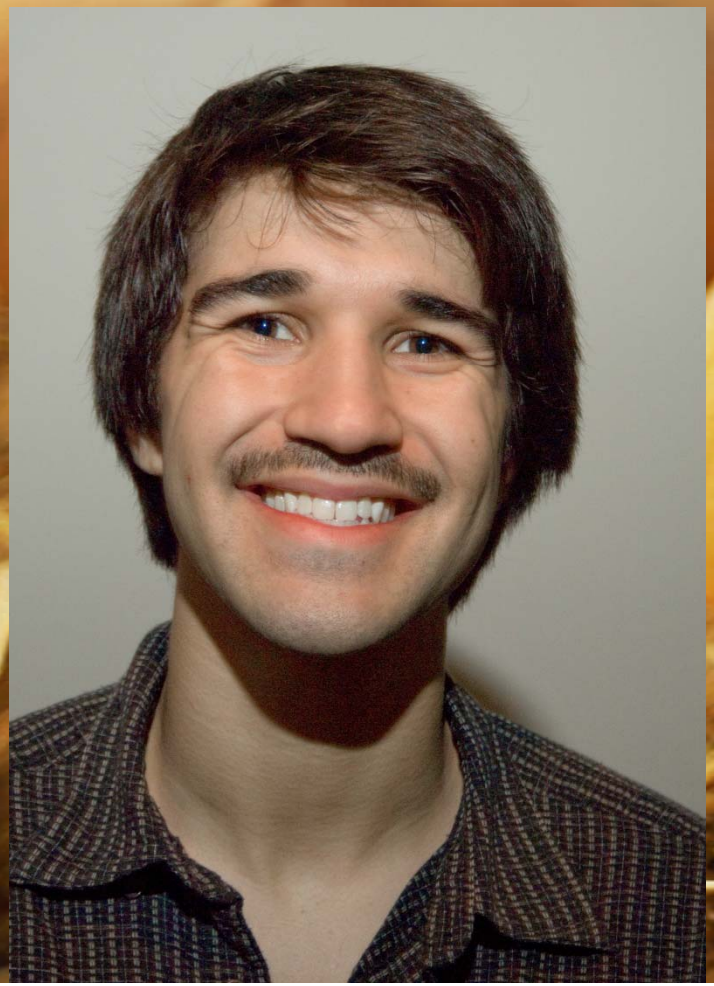
Wescast Industries Continuous Learning Award

Awarded to:

David Bonasia

Awarded to any undergraduate student in the Faculty of Engineering or the Richard Ivey School of Business who has demonstrated academic achievement.

Westeinde Family Continuing Award in Environmental Engineering



Awarded to:

David Marmor

Awarded to a full-time undergraduate student entering second year in the Civil and Environmental Engineering program and pursuing an Environmental Engineering option, based on academic achievement.

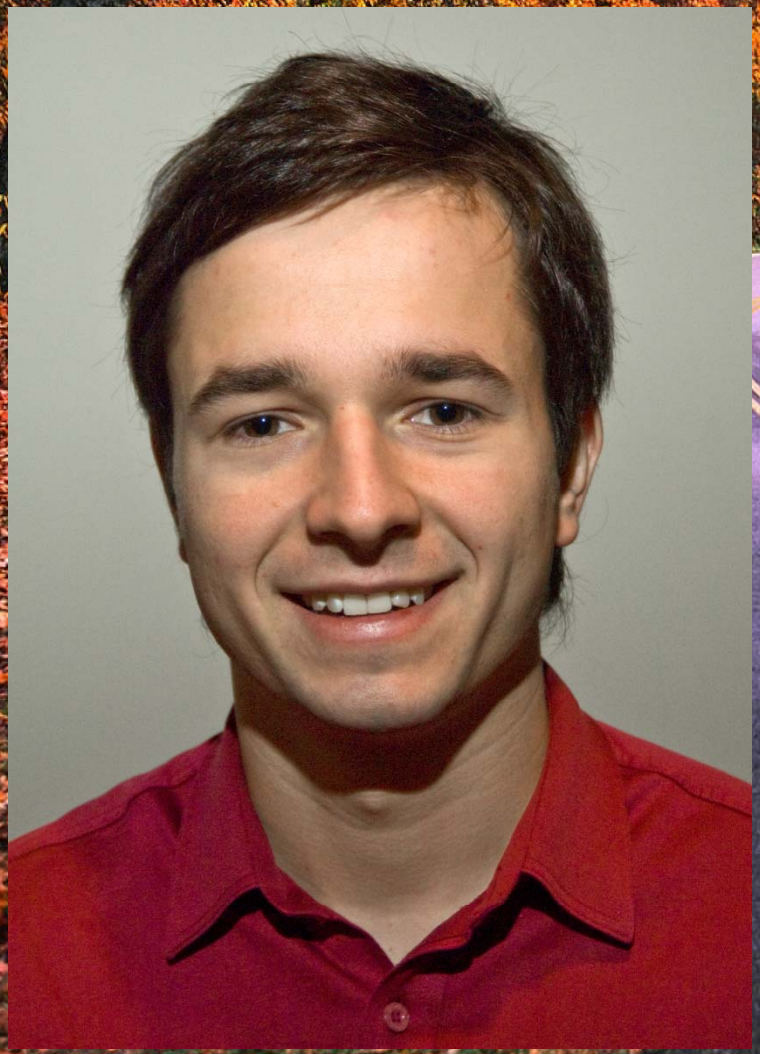
Charles Yip Memorial 125th Anniversary Alumni Award

Awarded to:

Jessica Lesperance – currently on exchange in Singapore.

Awarded to a student in his or her third year in Engineering based on academic achievement and involvement in extra-curricular activities.

James E. Zajic Memorial Scholarship



Awarded to:

Federico Berruti

Awarded to a full-time undergraduate student in Year 2 or higher of a program offered through the Department of Chemical & Biochemical Engineering, based on academic achievement.
