Welcome to G.R.E.A.T.

We are very excited you have decided to participate in DW's Girls Recognizing Engineering and Technology (G.R.E.A.T.) camping weekend. This is a unique opportunity for girls to come together and actively participate in design and technology based projects with female engineering mentor. Below is some important information to help you prepare for your adventure with us. If you have any questions or comments please feel free to contact us at 519-661-2111, ext. 88826 or discover@uwo.ca.
