

What to bring to kick-off

1. A copy of your team roster (printed from your team dashboard). Alternatively, you will need completed hard copies of consent and release forms.
http://www.firstinspires.org/sites/default/files/uploads/resource_library/first-youth-team-member-paperwork-2016-2017.pdf
2. You do not need to bring a cart or dolly to transport your kit to your vehicle, since we will be bringing the kits to Springett parking lot or for those doing quick build to the Engineering Building.
3. Quick-Build teams should bring all the items on the list of tools/supplies you received, including safety glasses. Veteran year teams are reminded they will need to bring extra items as they will not be receiving a rookie tote this year.
4. If picking up kits for other teams, bring copies of your surrogate forms.
5. ID to pick up your kit.

Reminders!

- Make sure you have enough room in your vehicle for your passengers and your kit/assembled bot. We don't have any kit details yet, but assume the will be a similar size to last year.
- Kits can only be signed for by an adult mentor listed on the team roster or a designated surrogate.
