

Western Engineering ENGSquad Mentor Application Form 2019

ENGSquad offers female high school students the opportunity to connect with female undergraduate students within engineering through in-person events and one-on-one mentorship. Participants will explore three key areas:

- What is engineering?
- What is it like to be a female engineer?
- How do I become an engineer?

The mentorship program will run from February to May 2019 with 4 sessions in total. Mentors are required to be at 3 of 4 sessions with one being the sleepover event in residence. The program dates are:

- February 1 – Introductions & Industry off-site tour
- March 15 – Industry off-site tours
- April 27 – Western Engineering Overview
- May 24-26– Sleepover event at Ontario Hall

There is no associated cost for the program and interested mentors are asked to submit their completed application form by November 30, 2018 to:

**Kelsey Lavigne, Women in Engineering Outreach Coordinator at
klavign3@uwo.ca**

All applicants will be contacted after the deadline to be notified of the status of their application. For more information about the program please visit:
