

DW Camp Bursary Application 2024

Discovery Western is a not-for-profit organization delivered out of Western University. Thanks to the generous contributions of our supporters, we are able to offer bursaries that subsidize program fees up to 95%. In order to be eligible for a bursary, please complete the following form in full. **All applications will be kept in the strictest confidence, and are destroyed once the program is complete.**

Please note the following:

- **There are a limited number of bursaries available.** Only those individuals demonstrating need will receive a bursary, and even then we will not be able to fill all requests.
- Please fill out all sections of this form. **Only complete applications will be considered.**
- **The maximum bursary award is 95% of the program registration fee.**
- If you do receive a bursary, a thank-you letter from the child or family is expected. This will be passed on to the supporters who made our bursary program possible. Your full name is NOT needed on these letters.
- **Only one week or session of programming per child can be subsidized through this program.**
- If a bursary is awarded, you must register your own child and pay online. The bursary will then be sent after the camper is registered and the payment has been made. It may take three to five business days for the bursary to reflect on your credit card account.
- Having a bursary granted does not guarantee a spot for your child. You must register your own child, and there must be room available for them in the program to register.
- All submissions will receive a follow-up email indicating whether or not a bursary has been awarded.

Applications will be reviewed in ten to fifteen business days.

Completed forms can be emailed to Discovery Western at: discover@uwo.ca
