Intent to Register

Are you planning to return to Western in September, 2019?

**YES:** submit your **Intent to Register** to access web registration in the summer to register for Fall/Winter courses.

If you don't submit your **Intent to Register**, you will not have access to the web registration system.

Web registration begins mid-July – you will be notified of the date on your UWO email *if* you’ve completed your intent to register.

Intent to Register 2019/2020 TEST - Step 4

You have completed Intent to Register successfully!

You will now be sent an email to your UWO email account for your records, including a summary of your selections.

You may now close this service. Do not click back. If you have made a mistake and would like to alter your selections, simply launch the service again (from http://studentservices.uwo.ca).

Your new selections will overwrite the old.
Admission to Engineering Programs

Students entering all Western Engineering programs must have completed the entire first year program in Engineering, with no outstanding credits to be taken. Applicants achieving these minima are not guaranteed acceptance into a particular program.
Applicants achieving these minima are **not guaranteed** acceptance into a particular program.
