

Western Water Chapter (WWC)
Winter Semester Events & Details

!!!Happy New Year!!!

We have a great schedule of upcoming WWC events planned for 2015. Check out the details below.

January 16, 2015

WWC Annual General Meeting

12:30 – 1:30pm @ Spencer Engineering Building (SEB), Room 3102; On Campus

Details: Come out for our first meeting of the New Year. We welcome back old members and encourage new ones to join us. Everyone is welcome. At this meeting we will discuss upcoming events and provide details about WWC's logo design competition. We'd also love to receive your feedback, to make WWC even better. Free pizza and drinks will be provided!

January 27, 2015

CMLP Green Building Tour

3 – 4pm @ CMLP Atrium, On Campus

Details: Come find out all the interesting details of the CMLP LEED rated green building. The tour will take you through the building and identify those features which make it unique. Free snacks will be provided to those people attending the tour.

SAME DAY

WWC Social Event

6 – 8pm @ The Grad Club, On Campus

Details: Come out and join WWC for an evening of food, drinks and good company. Discuss exciting water news, upcoming events, or just meet people with similar interests. Tuesday is also trivia night at the Grad Club so you're welcome to stay after the social event and test your trivia knowledge. Hope to see you there!

February 4, 2015

Webinar: Professional Certification Meets Water Field Challenges

1 – 2pm EST @ TEB 434, On Campus

Details: Free webinar. "Built on a common body of knowledge, compatibility with apprenticeship and educational programs, universal standardized examinations, and industry-developed standards, Professional Operator (PO) certification/designation contributes to the recruitment of qualified personnel to safeguard the future of public health and environmental protection systems while increasing public visibility of those earning PO certification. This webinar will lay out a road map to earning the PO designation and highlight the valuable resources that accompany it."

March 27, 2015

Greenway Wastewater Treatment Plant Tour (\$5)

10am @ Greenway Treatment Plant; Randol St. / Greenway PCP Entry Road off of Springbank Drive

London, ON

Details: Join us for a tour of London's oldest and largest wastewater treatment facility. With a treatment capacity of 152,000 cubic metres per day; the site of London's incinerator; and newly upgraded SCADA system there's lots to see! There is a \$5 deposit required to hold your spot, which you will get back upon attending the tour.

April 18, 2015

Ripley's Aquarium Visit

Toronto ON

Details: Join WWC on a trip to Toronto to visit the Ripley's Aquarium. Tickets will be approximately \$25/person. This is a great opportunity to pair up with the WEAO Annual Conference.

More info about the aquarium is available at <https://www.ripleyaquariums.com/canada/>

April 19 – 21, 2015

WEAO Annual Conference & OPCEA Exhibition

Toronto Congress Centre, Toronto ON

Details: Come socialize and learn the latest in water technologies at the WEAO annual technical symposium in Toronto. Must be a member of WEAO / WEF Young Professionals / WEF Student member. More info available at <http://www.weao.org/annual-conference>

May TBD, 2015

End-of-Year Wrap-up Social

Details: Join us on the patios of the Grad Club to celebrate the end of this academic year. You've worked hard, you deserve it.

That's all for now folks! Hope to see you out at our events, and don't forget to RSVP to those events which request one.
